Can you do Wednesday, Nov 20th 5-6pm EST? It's the only time that lines up for everyone.

Joe – I re-completed the doodle poll, as my calendar is booking up already for next week. I hope that updated info is helpful.

Hi Everyone,

Attached is a brand new Doodle poll covering the next two weeks. <http://doodle.com/gcmvcu5xfrhsqbzf>

Please fill it out with your availability for a call to discuss the latest draft of Tier 1 (attached in redline and clean formats). Hopefully we can find a time that works for everyone as I know it's only going to become more difficult to schedule a call come December. Thank you.

Cheers,

Joe

Hi Everyone,

Due to scheduling conflicts the original proposed dates to discuss the revised Tier 1 document didn't work for everyone. The Doodle Poll has been updated for options for a call next week: <http://doodle.com/h7aixn4b2md6cdgd>. Please fill out the poll with your availability.

Cheers,

Joe

Hi Everyone,

Thank you for providing feedback on the Tier 1 legal framework section of the water quality trading joint regional agreement (JRA) over the summer. Based on your feedback, we have revised the legal framework document (newest version attached with tracked changes, and as clean PDF). Joe Furia is out of the office, but asked that I work with you all to set up a date and time for our next call in late October – please fill out this [doodle poll](#) (add your name, and check all the time/date boxes that work for you) so that we can identify the ideal time.

Thank you for all your input to date.

Thanks,

Tim Wigington
